

WATERSAVERSTURF

PRODUCT SPECIFICATIONS

Sequoia

Sequoia has been one of our top selling products year after year. This is due to its deep olive and emerald color tones, in addition to having an engineered "S" blade to diffuse light and reduce the shine of the turf. With a 115 oz weight and 1-3/4" blade height, the Sequoia is a high quality, plush product.

Product Features

Value (Test when applicable)
